## BLOOD DRIVE — MARCH 6

### URGENT NEED FOR BLOOD

The Cathedral will host the first blood drive in two years on **Sunday March 6th** from 9:15-1:15pm in the Fleming Center. If you are interested in joining this special group at Cathedral to donate blood there are three ways to sign up. Signups can be done online, [www.redcrossblood.org](http://www.redcrossblood.org), go to the 'account login' at the top right hand side of the page and login as a donor, enter our sponsor code 'cathedral019' and schedule your appointment time. You may sign up by phone call Sally Stack @ 615-298-2932. We also offer signups after all the Masses in the Narthex this weekend. If you are 17 years of age ( 16 with parental consent), weigh a minimum of 110 pounds and in good health you may be eligible to donate.

The American Red Cross is facing a national blood crisis—the worst blood shortage in over a decade, posing a concerning risk to patient care. Doctors have been forced to make difficult decisions about who receives transfusions and who will need to wait until more products become available. Blood and platelet donations are critically needed to prevent further delays in vital medical treatments.

As you can see the need is tremendous and we can help!

**PLEASE CONSIDER DONATING ON SUNDAY MARCH 6th**

## 8TH SUNDAY IN ORDINARY TIME

What we say and how we say it reveals the true intentions of our hearts. The content and manner of our speech is a window into the recesses of our souls. Our consciences, attitudes, sentiments, weaknesses, and motives are displayed. As much as we think we can hide the truth of our lives from others, we cannot. Who we really are is not only expressed on our lips but is written on our faces. Jesus says precisely this, "For every tree is known by its own fruit." What does the fruit of our lives say about us?

Because we like to play the game of hide and seek with ourselves, in pretending that we are hiding we deflect attention others may give to us by becoming more critical of others. After all, the more time one can spend analyzing others' behavior the less time one has to look at his or herself. Often, the behaviors we abhor most in others are the very ones we are guilty of ourselves. We just don't know it yet. The more we put ourselves in the role of a judge, the more satisfaction and control we seem to achieve. Yet, what about ourselves? In focusing our attention on the beams in others' eyes, the aridity and barrenness of our lives goes unchecked. St. Ambrose reminds us that "no one heals himself by wounding another." Bringing our brothers and sisters down by being overly critical, serves no positive purpose.

But the one who knows how easy it is to fall into sin and weakness and how quickly errors in judgment can be made, knows the depth of true compassion, mercy, and kindness. Having recognized our own poor choices, misguided opinions, negative emotions, and ability to do horrendous things, we can be more sympathetic and understanding of where others may be. We are designed to be mentors and guides to one another. In walking the journey together, we can help each other become the best we can be. Humility is the order of the day and the primary virtue that prevents us from being hypocrites.
