HELP HAITI!

SAINT JEAN BAPTISTE

● HAITI ●

LA VALLÉE DE JACMEL

This situation has had a major impact on everyone living in Haiti. People are unable to get basic necessities, like food & water, which is causing a new set of complications. This is mainly due to the fact that transportation has been difficult because of gas shortages & roadblocks. It has caused many businesses to shutdown because they cannot get the supplies they need and that in turn has resulted in people losing their jobs or having disruptions in their income. Banks are also having trouble getting cash, so they are rarely open & even when they are, there are long lines & limits on how much money someone can take out.

These complications, among others, are the daily struggles the people in our community are facing. It is also having a major impact on our Business Program, forcing our businesses to close which affects both our employees & customers. We commend our business teams' nonstop efforts to find supplies in order to stay open & continue paying their employees. Our dental clinic has continued to operate as much as possible, but those opportunities are becoming greatly reduced. Even when the clinic is open, our staff is seeing fewer patients than normal due to people not wanting to get out as insecurity persists.

It also saddens us to know that the youth of Haiti are being robbed of receiving an education. The Ministry of Education has been forced to delay the start of school to protect student and teacher safety. But, we are ready to see students sitting at their desks, teachers writing on the chalkboard, food being served in the lunchroom & soccer being played on the fields at break. We, along with our community, are praying for some "normalcy" like this to come soon.

We have faith that God is doing incredible things in Haiti, despite the unrest & we are hopeful for positive change. We ask that you keep Haiti close to your heart in this difficult season.

OUR HAITI MISSION NEEDS YOUR HELP!

Haiti has been struggling for some time now with political unrest, inflation, & insecurity. This has caused an array of problems throughout the country, delaying the start of the school year, forcing businesses to close and leaving communities to deal with food and fuel shortages. Things are quickly going from bad to worse.

YOU CAN DONATE NOW!

Help Father Simon feed the most vulnerable in our adopted Parish!

If you feel called to do so, you can make a donation online by visiting our website or scanning the QR code below. You can also write a check to the Cathedral & put "Haiti-Humanitarian" in the memo line. Your donations will help us support our community while the country has been shut down. This will go to those that have been hit the hardest - people that have lost jobs, our college students stuck in Port au Prince, the elderly, the sick, the vulnerable and anyone else in need of assistance.
