## **ADDITIONAL CATHEDRAL PARKING**

Vanderbilt University allows us to use their parking garage on the weekends to help alleviate overflow in our own upper and lower parking lots. If you enter the parking garage from the Fleming Center / Main Office side of the campus, you'll find an open gate to enter.

We usually have many additional visitors for the Christmas / New Year holiday season so we are happy to be able to have the extra parking space to accommodate larger crowds.

The Cathedral of the Incarnation would like to extend its gratitude to Vanderbilt University for allowing us to use their parking facility to assist us!

### **WELCOME COMMITTEE**

Interested in joining to welcome new parishioners?

Contact the main office at (615) 327-2330 or email: [info@cathedralnashville.org](mailto:info@cathedralnashville.org).

The **Room in the Inn** has been updated for the Cathedral of the Incarnation! We host 20 men every Tuesday evening. We provide dinner, showers, a bed, breakfast and lunch. We need about 20 volunteers each week to make this a success. We are in need of INNKEEPERS and DRIVERS. Please consider helping with these two very important roles. If you are interested, please contact the parish office at 615-327-2330 or [info@cathedralnashville.org](mailto:info@cathedralnashville.org).

Besides innkeepers and drivers, we need help with set up, providers of breakfast, lunch and dinner, and laundry assistance. To sign up, the link is here: <https://www.signupgenius.com/go/30E054FA9A92B0-room>

Or help by donating supplies! A gift list is available on the Amazon website where you can purchase items. These items will ship to the Cathedral of the Incarnation office. The list can be accessed here: <https://www.amazon.com/registries/custom/21B0GFJ6L2DWW/guest-view>

Thank you for supporting and helping this important ministry!

# HELP HAITI!

SAINT JEAN BAPTISTE

● HAITI ●

LA VALLÉE DE JACMEL

This situation has had a major impact on everyone living in Haiti. People are unable to get basic necessities, like food & water, which is causing a new set of complications. This is mainly due to the fact that transportation has been difficult because of gas shortages & roadblocks. It has caused many businesses to shutdown because they cannot get the supplies they need and that in turn has resulted in people losing their jobs or having disruptions in their income. Banks are also having trouble getting cash, so they are rarely open & even when they are, there are long lines & limits on how much money someone can take out.

These complications, among others, are the daily struggles the people in our community are facing. It is also having a major impact on our Business Program, forcing our businesses to close which affects both our employees & customers. We commend our business teams' nonstop efforts to find supplies in order to stay open & continue paying their employees. Our dental clinic has continued to operate as much as possible, but those opportunities are becoming greatly reduced. Even when the clinic is open, our staff is seeing fewer patients than normal due to people not wanting to get out as insecurity persists.

It also saddens us to know that the youth of Haiti are being robbed of receiving an education. The Ministry of Education has been forced to delay the start of school to protect student and teacher safety. But, we are ready to see students sitting at their desks, teachers writing on the chalkboard, food being served in the lunchroom & soccer being played on the fields at break. We, along with our community, are praying for some "normalcy" like this to come soon.

We have faith that God is doing incredible things in Haiti, despite the unrest & we are hopeful for positive change. We ask that you keep Haiti close to your heart in this difficult season.

## OUR HAITI MISSION NEEDS YOUR HELP!

Haiti has been struggling for some time now with political unrest, inflation, & insecurity. This has caused an array of problems throughout the country, delaying the start of the school year, forcing businesses to close and leaving communities to deal with food and fuel shortages. Things are quickly going from bad to worse.

## YOU CAN DONATE NOW!

Help Father Simon feed the most vulnerable in our adopted Parish!

If you feel called to do so, you can make a donation online by visiting our website or scanning the QR code below. You can also write a check to the Cathedral & put "Haiti-Humanitarian" in the memo line. Your donations will help us support our community while the country has been shut down. This will go to those that have been hit the hardest - people that have lost jobs, our college students stuck in Port au Prince, the elderly, the sick, the vulnerable and anyone else in need of assistance.
