# ORGAN INSTALLATION UPDATE

The Cathedral's new pipe organ arrived in Nashville early Monday morning, June 26. Over the next several weeks the thousands of wood and metal components will be hoisted into the rear gallery of the church and assembled into a fine new organ, set to serve us for generations to come. After all the parts have been put back together the work of "tonal finishing" for each one of the pipes (2,357 of them) will take place; fine adjustments are made so that each pipe in a rank (set) plays at a uniform volume and with a consistent tone quality, and speaks to its best advantage in the very fine acoustic of our Cathedral.

The organ has been under construction for more than 18 months in the shops of Goulding and Wood Pipe Organs in Indianapolis. Ours is the 54th complete new organ they have built in the 40-plus years they have been in business; in addition they have refurbished and made updates to dozens of others, including the magnificent organs at the National Shrine of the Immaculate Conception in Washington, DC. Some Cathedral parishioners have likely attended retreats or other events at Saint Meinrad Archabbey, where a large and highly-successful Goulding and Wood organ plays in the Abbey Church.

The new organ will comprise 40 ranks of pipes in the gallery. By way of comparison the Cathedral's previous organ, built by the now-defunct Louisville firm of Henry Pilcher's Sons, contained 19 ranks of pipes when it was originally installed in 1914. Renovations in 1977 and again in 1999 brought that total first to 22 and then 25 ranks. Size is certainly not the only characteristic of a pipe organ that will establish its ultimate success; of greater importance is the totality of its conceptual design, which when appropriately done will create something that is much more than the sum of a conglomeration of disparate parts.

For the current design three ranks of pipes have been retained from the original 1914 organ, one from the 1977 refurbishment (which was already a 'used' rank when it came to the Cathedral), and one rank from those added in 1999.

Additional information will be provided as we move forward.

Jackson Schoos  
Director of Music

*A look inside the 'Swell' division of the organ, so named for the shutters through which this picture is taken. The organist operates these 'shades' by means of a foot pedal, controlling the volume of sound that enters the room.*

*This is a picture of some of the pipes contained in the 'Great' division of the organ. Some of these pipes, called Principals, give a pipe organ its unique, most characteristic sound and are used extensively in accompanying congregational singing as well as playing organ repertoire. If you look to the upper right in the picture you will see a set of five small bells. These produce a sound similar to windchimes, and are used (ideally sparingly...) to add sparkle on joyful occasions.*

*The truck, ready to be loaded, that brought the organ to Nashville.*

**During our organ installation we'll need to alter our Mass location schedules for a short amount of time.**

**ALL WEEKDAY MASSES** the weeks of **JUNE 26th - JULY 7th** will be in the Fleming Center.

**WEEKEND MASSES** the weekend of **July 1-2** will also be in the Fleming Center.

**During this time, you will need to be "buzzed" into the Fleming Center for personal prayer time as the church is locked.**

Starting July 10th and continuing until August 4th, there will be continuing organ installation during the weekdays. We'll have our 7am and 12:10pm Masses in the Cathedral. Thank you for your patience and understanding as we complete our installation journey!

**PLEASE NOTE: There will be NO coffee and donuts the weekend of July 1-2 as our liturgies are in the Fleming Center.**

**Our Parish Offices will be closed on Monday, July 3rd and Tuesday, July 4th for the Federal Holiday. We'll reopen on July 5th at 8am!**

## **National Eucharistic Revival**

**WHAT IS IT AND WHY NOW?**

### **BECAUSE THE CHURCH NEEDS HEALING, AND THE WORLD NEEDS THE CHURCH**

Scandal, division, disease, doubt. The Church has withstood each of these throughout our very human history. But today we confront all of them, all at once. Our response in this moment is pivotal.

In the midst of these roaring waves, Jesus is present, reminding us that he is more powerful than the storm. He desires to heal, renew, and unify the Church and the world.

How will he do it? By uniting us once again around the source and summit of our faith in the celebration of the Eucharist. The National Eucharistic Revival is the joyful, expectant, grassroots response of the entire Catholic Church in the U.S. to this divine invitation.

### **WHAT IT MEANS AT PARISH LEVEL**

THE YEAR OF PARISH REVIVAL is Jun 11, 2023 - Jul 17, 2024

This phase will foster Eucharistic devotion at the parish level, strengthening our liturgical life through faithful celebration of the Mass, Eucharistic Adoration, missions, resources, preaching, and organic movements of the Holy Spirit.

The first disciples were not sent out to change the world on day one! They had to get to know Jesus on a deep, personal level before their mission of evangelization could begin. The first step in this Revival is for each of us to do the same. The closer you are to Jesus, the easier it will be to hear His voice when He needs you to take action!

<https://youtu.be/msccW5Vmny8>

Come closer to Jesus and learn what He wants for you in your life. Spend time with Him in Eucharistic Adoration at Cathedral! First Friday Adoration commences on the first Friday of every month, following the 12:10 Mass.

### **WEEKLY ADORATION**

Continue to spend some time with Jesus: The church is open daily for private prayer. More opportunities to join coming soon including community prayer groups and studies.

Fr. Rhodes Bolster, University Catholic Chaplain, needs help in offering Christian hospitality to college students through weekly Sunday Suppers. Individuals or church groups are needed to sponsor weekly meals. The

Sunday Suppers help build a home away from home for college students and can be a first step in forming relationships with them. We feed 80 - 100 college students every Sunday from late August until May. Please help UCat cast our net wide by signing up to sponsor a Sunday Supper.
