ORGAN INSTALLATION UPDATE

Components of the new organ are staged in the church, in preparation for hoisting into the loft. These are the structural elements of the organ, as well as the wind lines and all of the decorative casework. Only a small number of pipes are shown here (mostly to the far left); these are some of the largest pipes, which must be installed first. More than 2,200 additional pipes will be delivered after some space has been cleared for them.

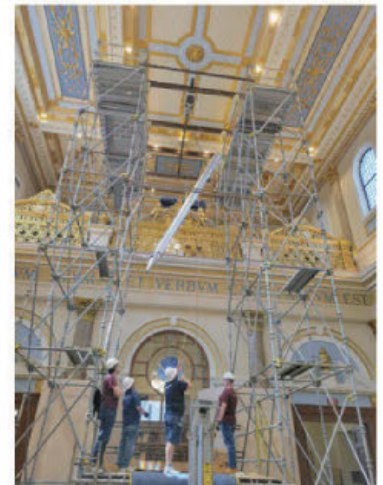

This set of pipes contains the largest that will be found in the organ. There are a total of 73 pipes in this rank, the tallest being around 18 feet, and the smallest less than 6 inches.

This is the blower which will supply all of the wind pressure which causes the pipes to speak; think of a flute or any other wind instrument – an organ pipe creates a tone by shaping and directing a column of air, rather like blowing across the top of a bottle. A bigger bottle produces a deeper tone; it's the same with organ pipes. The blower for the previous organ – which functioned for more than a century – was located at the OPPOSITE end of the church, above the Sanctuary, probably at least in part to isolate the noise it produced. The air then ran back through the attic the entire length of the church, to the organ. Modern blowers are more efficient and quieter, and the new blower will be located in the attic just outside the area of the choir/organ loft.

These are windchests, or called just chests. They are essentially boxes that fill up with air, and then a series of valves opens under each pipe to allow the wind to enter the pipe, which is open at its bottom end. To play an organ pipe two things have to happen: a 'stop' must be pulled on the organ console which allows the wind to be available to all of the pipes in a particular 'rank' (or voice) – this is where the expression 'pulling out all the stops' comes from. Then one of the keys on the organ keyboards (manuals) is pressed to allow the air into that one specific pipe. One pipe will sit in each of the holes that you see.

The single largest pipe, at 18 feet in length, is hoisted into the organ gallery.

Thank you for joining us today.

If there are empty seats in your pew, kindly move to the center of the pew so ushers may seat those who are still arriving. Thank you.

FR. ERIC'S WELCOME TO OUR NEW ASSOCIATE PASTORS!

Fr. Aby Thankickal, CMI was born and brought up in a village in the small state of Kerala in India. He joined the nearby Carmelite religious Monastery in 1997 after his basic school education. In 2001, he made his first profession, officially becoming a member of the Congregation of Carmelites of Mary Immaculate (CMI). He completed his 15 years of priestly and religious formation and was ordained as a priest on December 31, 2012. During formation, he served in the Rustenburg Diocese in South Africa for one year.

He obtained four separate degrees in Philosophy, Theology, Physics and Education while in India. After ordination he served in various parishes as associate pastor and in various schools as a physics teacher, vice principal and finance administrator. In October 2019, he came to the United States to serve in the Diocese of Nashville with the blessings of the Most Rev. Bishop Mark Spalding. He served as the associate pastor of the Cathedral of the Incarnation and as the chaplain of the Dominican Sisters campus in 2020. Later he was appointed to St. Thomas Aquinas Church, Cookeville, for two years and six months as the associate pastor. He loves the biblical words from 1 Corinthians 15:10; "But by the grace of God I am what I am".

Fr. Dan Steiner

I am excited to be at the Cathedral and serving in the hospital. I grew up in Illinois where I worked in the restaurant world for 15 years and moved to Nashville in 2014. I was ordained a priest of Jesus Christ in 2016. My first two years I served as an associate pastor at the Cathedral and Chaplain for Mary Queen of Angels assisted living home. Then I was assigned to Holy Rosary Parish and school for the last 5 years as pastor. My favorite things about God calling me to be His priest are celebrating the sacraments and being a part of others' lives during their journey with the Lord, as they are being perfected into His saints. I want to assure you of my prayers for each of you as we grow in holiness together.

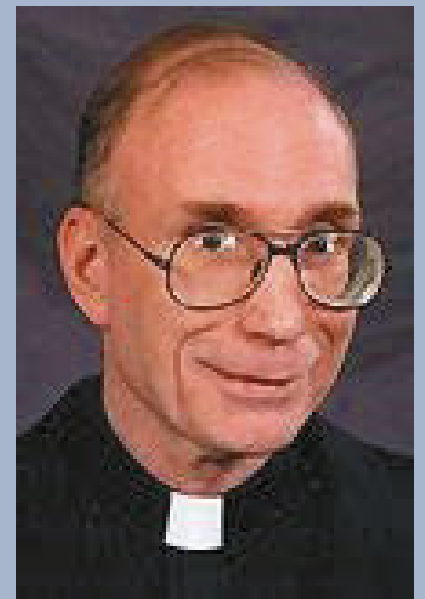

WE'LL MISS YOU, FATHER PHAN!

National Eucharistic Revival

WHAT IS IT AND WHY NOW?

BECAUSE THE CHURCH NEEDS HEALING, AND THE WORLD NEEDS THE CHURCH

Scandal, division, disease, doubt. The Church has withstood each of these throughout our very human history. But today we confront all of them, all at once. Our response in this moment is pivotal.

In the midst of these roaring waves, Jesus is present, reminding us that he is more powerful than the storm. He desires to heal, renew, and unify the Church and the world.

How will he do it? By uniting us once again around the source and summit of our faith in the celebration of the Eucharist. The National Eucharistic Revival is the joyful, expectant, grassroots response of the entire Catholic Church in the U.S. to this divine invitation.

WHAT IT MEANS AT PARISH LEVEL

THE YEAR OF PARISH REVIVAL is June 11, 2023 - Jul 17, 2024

This phase will foster Eucharistic devotion at the parish level, strengthening our liturgical life through faithful celebration of the Mass, Eucharistic Adoration, missions, resources, preaching, and organic movements of the Holy Spirit.

The first disciples were not sent out to change the world on day one! They had to get to know Jesus on a deep, personal level before their mission of evangelization could begin. The first step in this Revival is for each of us to do the same. The closer you are to Jesus, the easier it will be to hear His voice when He needs you to take action!

<https://youtu.be/msccW5Vmny8>

Come closer to Jesus and learn what He wants for you in your life. Spend time with Him in Eucharistic Adoration at Cathedral! First Friday Adoration commences on the first Friday of every month, following the 12:10 Mass.

WEEKLY ADORATION

Continue to spend some time with Jesus: More opportunities to join coming soon including community prayer groups and studies.

THANK YOU DONORS!

On behalf of the American Red Cross and the Cathedral of the Incarnation Community THANK YOU to all who supported the Blood Drive on June 11th. 32 units of blood were collected. Due to summer vacations our signed up donors list was less than we had hoped for but thankfully 11 walk-ins made a huge difference and now up to 96 patients in our local hospitals will benefit.

Our next Blood Drive is scheduled for Sunday, October 15th in the Fleming Center.

PLEASE CONSIDER JOINING THIS SPECIAL GROUP IN OCTOBER.

Totally Yours

Fr. Rhodes Bolster, University Catholic Chaplain, needs help in offering Christian hospitality to college students through weekly Sunday Suppers. Individuals or church groups are needed to sponsor weekly meals. The Sunday Suppers help build a home away from home for college students and can be a first step in forming relationships with them. We feed 80 – 100 college students every Sunday from late August until May. Please help UCat cast our net wide by signing up to sponsor a Sunday Supper.
