Room in the Inn is gearing up for another winter season! The Room in the Inn ministry will begin our season on Tuesday, November 7th. We will host 20 homeless men in the Fleming Center every Tuesday night from November until the end of March. The men are picked up at the downtown Room at the Inn center. Dinner, showers, a warm bed, breakfast and lunch are provided. This is a large ministry and requires a lot of volunteers and support from the parish. Watch the bulletins for sign ups and needed supplies.

We need help!!! Currently we are seeking a co coordinator to help with planning and support. Please prayerfully consider helping. Contact Sarah McLeod at 615-308-9767 or mcleodsarah@comcast.net for more information.

National Eucharistic Revival

WHAT IS IT AND WHY NOW?

BECAUSE THE CHURCH NEEDS HEALING, AND THE WORLD NEEDS THE CHURCH

Scandal, division, disease, doubt. The Church has withstood each of these throughout our very human history. But today we confront all of them, all at once. Our response in this moment is pivotal.

In the midst of these roaring waves, Jesus is present, reminding us that he is more powerful than the storm. He desires to heal, renew, and unify the Church and the world.

How will he do it? By uniting us once again around the source and summit of our faith in the celebration of the Eucharist. The National Eucharistic Revival is the joyful, expectant, grassroots response of the entire Catholic Church in the U.S. to this divine invitation.

WHAT IT MEANS AT PARISH LEVEL

THE YEAR OF PARISH REVIVAL is

June 11, 2023 - Jul 17, 2024

This phase will foster Eucharistic devotion at the parish level, strengthening our liturgical life through faithful celebration of the Mass, Eucharistic Adoration, missions, resources, preaching, and organic movements of the Holy Spirit.

The first disciples were not sent out to change the world on day one! They had to get to know Jesus on a deep, personal level before their mission of evangelization could begin. The first step in this Revival is for each of us to do the same. The closer you are to Jesus, the easier it will be to hear His voice when He needs you to take action!

<https://youtu.be/msccW5Vmny8>

Come closer to Jesus and learn what He wants for you in your life. Spend time with Him in Eucharistic Adoration at Cathedral! First Friday Adoration commences on the first Friday of every month, following the 12:10 Mass.

WEEKLY ADORATION

Continue to spend some time with Jesus: More opportunities to join coming soon including community prayer groups and studies.

In the coming weeks, and we hope before summer is out, you will notice some repairs being done on our roof. We've had a few spots that have "sprung a leak" because of all the rain we've had this summer, but hopefully we'll see those completed before Fall!

ORGAN PIPES – Friends of Music

The interest in pipes from the old organ greatly exceeded the quantity we were prepared to make available. At the upcoming Ministry Fair on September 9th/10th, the Knights of Columbus will again accept donations for the new Friends of Cathedral Music Fund. Donations of any amount are gratefully accepted; those who donate \$200 or more may claim a pipe from the old organ as a gift, if they wish, while the supply lasts. The previously available pipes were wood, this set comprises metal pipes.

If you would like to reserve a pipe, contact Barney Zeng at BarneyZeng@sourcekeysolutions.com. (If interest continues to be high, we may be able to make some other remaining pipes available.)

HELP OUR HAITI MISSION!

Haiti has made news recently as kidnappings and gang violence continue to be on the rise. The majority of the violence depicted in the media is in the capital city of Port-au-Prince, which is about a 3-4 hour drive from where our Twin Parish is located in La Vallée de Jacmel. The actual safety of the parishioners within our community is not impacted as greatly by the stories you see in the news. Yet, it has significantly affected the day-to-day life of all Haitians. The way the country of Haiti is set up is that everything comes through Port-au-Prince, so the insecurity in the capital has affected our community's ability to get basic supplies and travel about freely as done in the past. The most common occupations in our community are farmers, merchants and drivers. Each of these professions have been impacted by the inability to safely travel to and from Port-au-Prince to sell at markets, purchase supplies and transport travelers. Those that are still traveling in hopes of making a living risk their lives with each trip as there are frequent robberies, kidnappings and random violence along the route and especially within the city. Due to the dangers, many people have chosen not to travel, which has greatly impacted the economic situation in the country. These insecurities are creating a domino effect causing job loss, lack of resources, inability to receive and purchase goods, shutdown of businesses and institutions, rise in hunger, and so much more.

All of these problems have been felt by our mission, but here is a more specific look at what's going on in our community: Thankfully, our schools have been operating pretty much as normal. We had a successful school year and just graduated our class of 2023! Our high school students are currently participating in our English Summer Immersion Program as we are doing our best to keep operating as normal. Our college students have been impacted by the current situation because most universities are located in Port-au-Prince, making it difficult for teachers to get to work and for students to regularly attend classes due to safety concerns. Our chicken farm and bakery are able to operate, but have been greatly impacted by inflation, availability and cost of ingredients, inability to safely make deliveries, declining money in the hands of consumers, among other obstacles making it difficult to operate businesses. Our church is able to operate as usual and our Priest, Father Simon, has been hard at work making sure all the needs in the community are met.

While living amongst this violence and instability is disheartening for our parishioners, they have not lost hope. God's love and presence is still shining throughout our community and we know there are better days to come. We will not give up. We are creating the future leaders of Haiti and these obstacles will only make us stronger. Now is an even more important time than ever to support our Twin Parish in Haiti. Even though we cannot physically be present with them in Haiti, we are in regular communication with them and continuing to support our endeavors to change the country for the better. You can join us in doing so by visiting www.haitimission.org/donate! Your donation goes directly towards supporting our community in Haiti through educating youth, helping fund the hungry, fostering community development, creating healthy generations and encouraging spiritual growth. Please help.
