## The Elijah Cup Program Is Coming!

### What is the Elijah Cup?

The Elijah Cup ministry has as its main focus to pray for an increase in priestly, diaconal, and religious vocations. Each week, a family, couple, or individual that has signed up will receive the Elijah Cup Chalice at Mass. For that week the chalice remains with them as a focal point of prayer in their homes, dedicated specifically for an increase in vocations. At the end of the week the chalice is returned and is then handed over to the next person, couple, or family that signed up.

### Why is it called the Elijah Cup?

The scriptural basis of the program is from the Old Testament reading of Elijah and the widow (Kings 1: 8-15) where God promises the widow that by providing food for Elijah of what little she had "the jar of flour shall not go empty, nor the jug of oil run dry". At this command, the widow and her son were able to eat for a year without running out of food. Likewise through this program, by offering what we have we pray that God will provide and we will see an overflow of vocations in the parish, the deanery and the Diocese at large.

The Cathedral of the Incarnation is partnering with Habitat for Humanity and three sister parishes to build a home for a family in need. Habitat for Humanity is a Christian ministry founded on the conviction that every man, woman and child should have a simple, decent place to live in dignity and safety. Habitat relies on the faithful in our community to *put faith and love into action* and to *give without seeking profit or interest in return*.

## How Habitat Works

The only thing that Habitat gives away is opportunity. Everything else is earned. Habitat partners with families who can afford monthly mortgage payments but would not qualify for a market-rate loan. Homes are made affordable through volunteer labor and funding provided by local businesses, churches and individuals. Future homeowners are required to put in 100 hours of "sweat equity" building their own homes and the homes of others. Habitat is both the builder and the bank, selling houses to partner families through zero-interest mortgages. Mortgage payments are "recycled" to build more homes in our community.

## Meet Our Partner Family

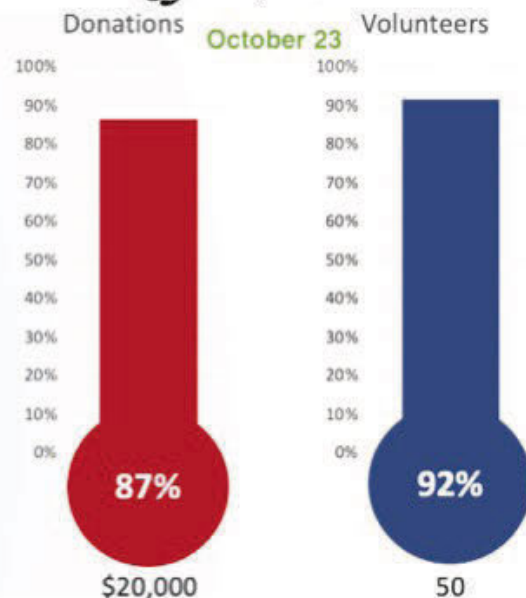

LaTasha's lease was not renewed after 4 years. With 30 days to find housing, she and her two toddlers were facing homelessness. She's kept her medical specialist job but pays \$400 more for rent.

"I want so show my kids that homeownership is possible with hard work and dedication. It is amazing to know that people who don't even know me are here to support me."
